

Technical visit in Greece

On the way to Costa Navarino

Tuesday, 28th of May 2019

ASECAP DAYS

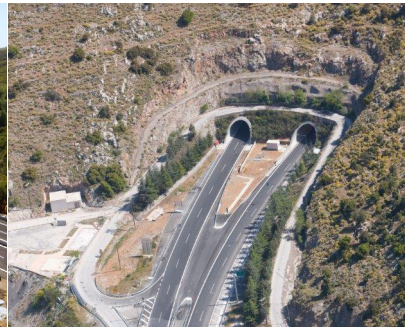

COSTA NAVARINO 2019

Olympia Odos

Moreas

Guided tour within two of the major modern tollways in Greece. These new Concession Projects are of strategic national importance, designed to improve safety standards and to boost growth on the Peloponnese.

During the trip, we will analyze the technical details and the peculiarities of the two constructions projects, while we will have the opportunity to focus on issues related to Operation and Maintenance activities, Current and Future Tolling Policy, Tunnels Safety etc.

Olympia Odos tollway

The Elefsina-Korinthos-Patra modern motorway has a total length of 202 km and connects the Peloponnese with the rest of Greece and Europe, setting new standards in terms of road safety and customer satisfaction.

Moreas tollway

Korinthos-Tripoli-Kalamata/Sparti motorway, a total of 205 km, passes through a mountainous area, with stunning scenery that combines seaside and mountainous areas, and connects Athens with top tourist and archeological destinations in Peloponnese.

The event is sponsored by Olympia Odos and Moreas

Programme

- 13:00** Departure by Bus from the Athens International Airport
- 14:30** Lunch in traditional fish tavern by the sea, near the Channel of Isthmos
- 18:00** Visit at Moreas' Operation and Maintenance Center, in Nestani - Coffee Break
