

# emovis = We are tolling innovators

## We are present worldwide in Freeflow tolling:

- Roadside / Backoffice solutions and operation

## In Europe, we are pioneers of Freeflow:

- First Freeflow in Ireland

- First Freeflow in United Kingdom

- First Freeflow in France

- First Freeflow in Netherlands

## And we are more than Freeflow:

- Road User Charging = in the US, RUC is Emovis

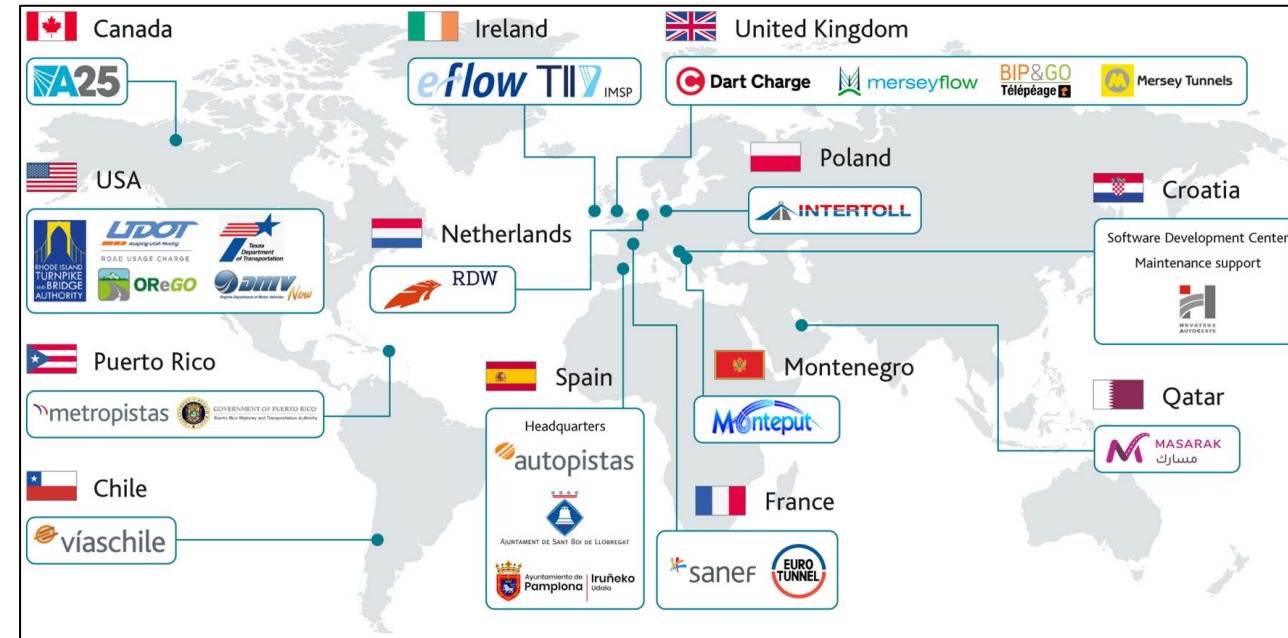

OREGO

ROAD USAGE CHARGE

- Urban Mobility = in Spain, it is starting

- 2.5 million customer accounts
- 300 million annual transactions managed
- 150 thousand annual fines issued on behalf of the Administration
