Road safety – reaching zero. What need to be done and how?

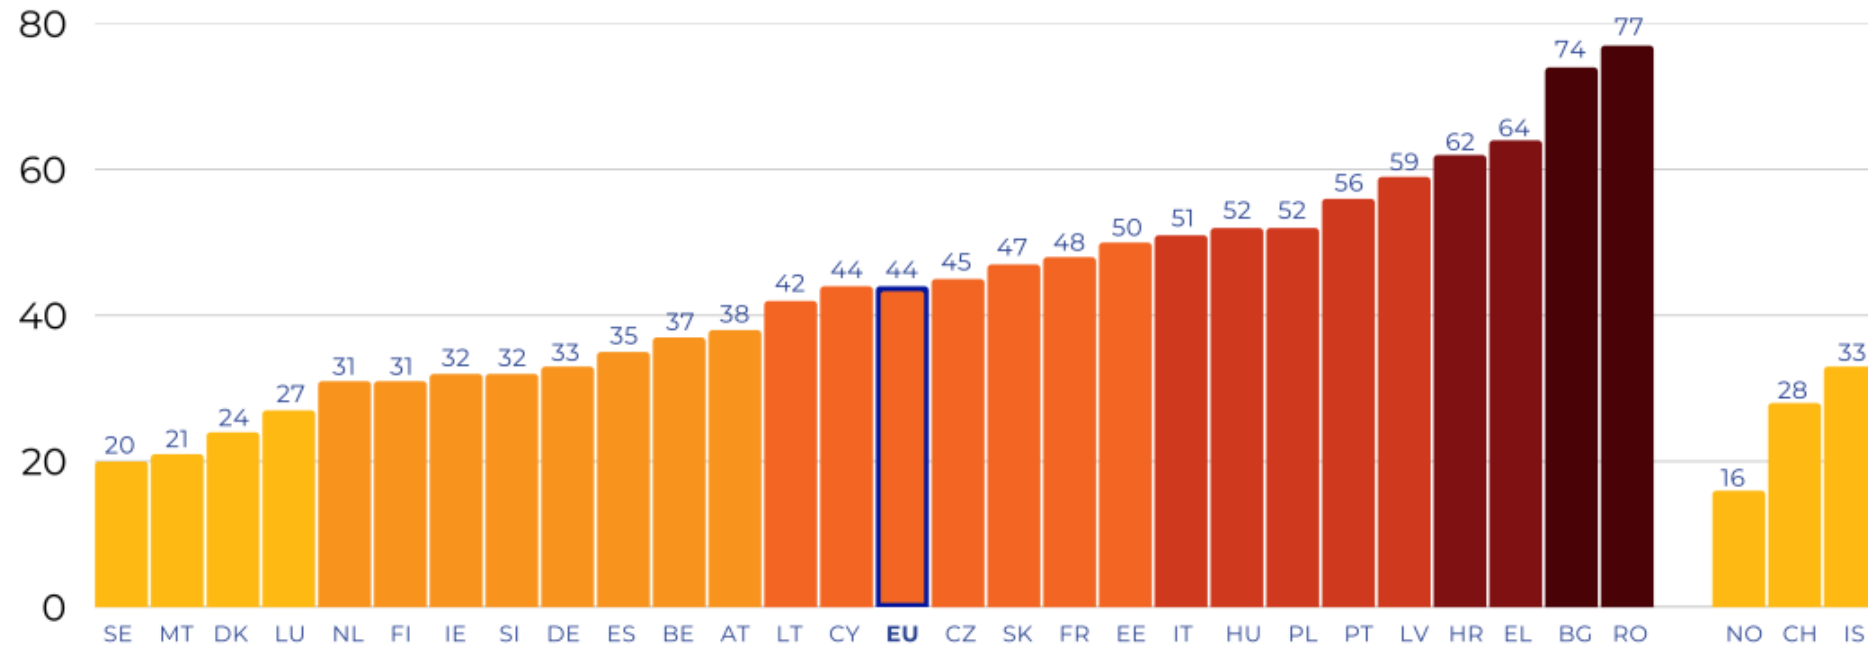

28 May 2025

Claire Depré

PRELIMINARY 2024 EU ROAD SAFETY STATISTICS

EU wide: 19.800

Number of road fatalities per million inhabitants by country

EU Automotive Action Plan

Towards a Single Market for autonomous driving

Establishment of large-scale cross-border testbeds for autonomous vehicles starting in 2026

Boost regulatory framework with rules on unlimited series of vehicles of automated driving systems by 2026

Boost single market integration for Driving Automation through harmonised rules for testing (2026) and deployment across EU

Questions? Thank you
